MRS. PRESCOTT'S HENS

Alleged Theft Traced By Deputy
Linscott—Trio Under Arrest

Writes our North Washington correspondent:

"Hens, in increasing numbers, have recently been taken from the pens of Mrs. Rex Prescott. Deputy Sheriff Robert Linscott being called for investigation, located the culprits in a shack where they have been living while cutting cord wood for Yassalboro parties. Two young men are now in jail in Belfast, awaiting trial, and the third, an older man, was taken to Waterville to the home of relatives. Their defense was that they were hungry.

"The younger men are said to have also confessed to the theft of one-quarter acre of potatoes last fall on the M. W. Lenfest farm."

ROCKLAND'S NEW DIRECTORY

Contains Total Of 4424 Changes; 1056 New Names Have Been Added

The importance of having a new city directory at comparatively frequent intervals, may be judged from the fact that in the one now being distributed there is a total of 4424 changes for Rockland out of approximately 8500 names. The number of new names added is 1056; old names removed, 728; addresses changed, 2640. This is a total change of about 50 percent as compared with the 33 percent average in most cities.

The Rockland directory is published by the H. H. Manning Co. of Portland, and is distinguished by its bright orange cover. It includes, in addition to Rockland, Rockport, Camden and Thomaston, as usual, Warren and Union. On even years instead of the latter two, St. George, Owl's Head and South Thomaston are used.

The directory includes the names of all persons over 18 years of age, with their occupations and addresses. Also to be found in this important compilation are:

A classified business directory.
A house guide listing householder

or business at each street number and apartment thereof.

A map of Rockland.
Register of city, county, State and Federal governments.

Societies, churches and miscellaneous information.

The publishers maintain at the Chamber of Commerce, for a reference library, directories of all cities in New England and those of larger cities throughout the United States and Canada.

The first name in the new Rockland directory is that of Ronald I. Abbott, resident of 43 North Main street; and the last name is that of William H. Young of 118 Thomaston street.

The directory is not one of the 10 best sellers, but any Rockland business house is lost without it.

The great spectacle feature "Last Days of Pompeii" comes to Park Theatre Friday and Saturday. The Strand's Friday-Saturday feature is "Freaks." Gene Stratton Porter's great story which has enthralled millions of readers.

Attracting special attention on Main street this Christmas season is Edward O.B. Gonla's new store at The Brook. It is located in the Everett L. Spear block, one door north of The Courier-Gazette office, and occupies a portion of the quarters once utilized by this newspaper.

The new place of business has hardwood floors, Spanish stucco walls, and the woodwork is done in oak coloring. The fixtures were specially selected by the proprietor, who is using the fixtures of his former store in the commodious basement of the new one. The basement, finished in white, is used as a stock room.

Warmth is furnished from the central heating plant, which is also to be used in connection with the apartments which will eventually be finished on the upper floors.

Considerable time and effort has been spent on the part of Mr. Gonla and the builder, Everett Spear, in order that this store should embody the latest styles in merchandising and store fixtures. This merchant is using as an effective means of selling merchandise a carefully planned lighting system. Indirect illumination from fixtures that do not glare and attract attention, but direct the light evenly and without shadows on the merchandise. Mr. Gonla knows that good lighting produces an inviting atmosphere; that good lighting in a store is a mark of progressiveness.

He realizes that it has advertising value, bringing his particular establishment into a different class. He knows that light can be a definite sales help, that it will put the customer at ease, and provide an atmosphere in which the sales people may

work with comfort. He has found that good lighting will aid in the selection of goods, prevent mistakes in a large degree, and, therefore, simplify the problem of returned goods. The ability of the lighting system to produce sales has been measured, and a progressive merchant knows whether or not the silent salesman produces efficient results.

Mr. Gonla carries a wide variety of stock, specializing in wall paper, paint and gifts. Prior to engaging in his present business 13 years ago, he had 15 years' experience with such large department stores as Porteus, Mitchell & Braun in Portland and the Gilchrist Company and Henry Siegal Co. of Boston.

Associated with him in conducting the new store are two capable clerks, Mrs. Eliza Derry and Mrs. Helen Clark.

ON "FREE SCHOOLS"

Leon O. Staples, Formerly Of North Haven, Has A Fling At Finance Boards

One of the leading articles in the Connecticut Teacher, official publication of the Connecticut State Teachers' Association, is by a former North Haven boy, Leon O. Staples, and is entitled "Free Schools" Under Financial Dictatorship. Mr. Staples who is superintendent of Schools in Stamford, handles the subject without mittens. The concluding portion of his article follows:

The growing power of Boards of Finance is everywhere in evidence controlling the purse strings and, on advice of town counsel, rapidly coming into the control of the policy making of all board and governmental agencies. They are rapidly reducing the ancient and honorable board of selectmen to a secondary status within the town. They have recently assumed the powers of a board of investigation and are continually employing engineers, lawyers and accountants to do their bidding. These investigators are continually meddling with other governmental agencies duly constituted under law, to promote confusion and destroy public confidence. Everywhere they are proceeding on the assumption that they have the power to take what they want in spite of public opinion or established law.

The impact of all this power and authority on education has already had results which need to be noted and understood.

Boards of Education are rapidly losing prestige and many prominent citizens are refusing the doubtful honor of serving on them.

Educational leadership has been rendered impotent. Any superintendent of Schools with vision and leadership is bound to have a rocky ride.

Security for the teacher has been destroyed. Dismissals without cause are frequent.

Budgets have been cut beyond the point of economy so that much of the money now being spent is actually wasted. Schools have become a place to herd children so that they may not disturb the peace of the community. Only the educators worry about the intellectual growth and development of childhood.

The profession of education is held in derision.

The only remedy I have to propose is enlightened public opinion. The time to begin to act is now, not at the opening of the next General Assembly. We need a campaign of education by educators in the interest of public education.

THE HOUSE OF LETTERS

Rockland Post Office Employees Enjoying New Annex and Mailing Vestibule

The facilities of the Rockland post-office assumed a broader area Tuesday when the new annex and landing station were thrown open for the government's use.

Public opinion may differ as to whether the appearance of our handsome postoffice has been improved, or otherwise, but nobody can deny that the mail matter passing through this institution can now be handled with much greater efficiency.

That the annex and landing platform were not both constructed of granite is a matter of no small regret, and it is no fault of Congress.

work thus obtained. When the job was at its height 25 men were being employed.

The government's interests were carefully guarded by Inspector C. A. Allison, who has made many friends during his long stay here.

A. T. Thurston & Co. had the subcontract for the electric wiring and installation of fixtures, and another local sub-contractor was John A. Karl & Co., which did the painting. Leux & Bissonnette of Philadelphia had the contract for plumbing and heating.

The total cost of the new work was about \$45,000.

Incoming mail is all handled through the new mailing vestibule and landing platform, transferred immediately to the new annex where occurs the city distribution in conjunction with the work of the letter carriers department.

Access to the new annex is furnished directly from the old post-office, and for further convenience a window and door have been cut in to connect with the registry department.

The outgoing mail is all handled in the old postoffice, where a screen, from floor to ceiling has been built around the new general delivery window and stamp department. Reference has already been made to the new boxes, and to the new toilets, showers and other improvements which have been made in the basement.

With such nice and commodious quarters all in working order for the Christmas season, Santa Claus ought to do pretty well by his Rockland customers this year.

Postmaster E. R. Veazie, who will have witnessed many improvements in the postoffice during his double administration, has watched every step of the new construction, and in common with his associates, is very proud of what has been accomplished.

HIGHWAY SAFETY

Knox County citizens interested in highway safety met at the Court House, Tuesday night these officers were elected: Chairman, Oscar E. Wishman, Rockland; secretary, Joshua N. Southard, Rockland; police committee, Maurice F. Lovejoy and Mayor Leforest A. Thurston, of Rockland; publicity committee, Almon M. Young, Rockland; program committee, A. Burton Stevenson, Jr., of Camden.

The directors are Edwin F. Lynch, John E. Pomeroy, Dr. Edward W. Peaslee, Mayor Leforest A. Thurston, Maurice F. Lovejoy, C. Earle Ludwick, H. P. Blodgett, Almon M. Young, Oscar E. Wishman, J. N. Southard and A. B. Stevenson, Jr.

The next meeting will be held at the Court House at 7.30 p. m., Dec. 17, to formulate a program.

LIMEROCK POMONA

Limerock Valley Pomona Grange will meet with Wessaweskeag Grange in South Thomaston Saturday, Dec. 14, afternoon and evening. By error this meeting was advertised to be held Dec. 7. The election of officers will be held at this meeting; also an interesting Christmas program. Resolved: "That respect for Law is more powerful than punishment," by F. L. S. Morse, Gilford Butler. A large attendance is desired.

Sara R. Young.

TALK OF THE TOWN

Edward G. Russell of Thomaston street was kicked by a horse Tuesday and badly bruised.

The Chamber of Commerce report shows a majority of the merchants plan to remain open evenings from Dec. 16 to Christmas.

The K. of P. hall, new home of the V.F.W. is being decorated by Fred Mealey and Mr. Post. Every room will be painted or whitened, making one of the best halls in the city.

J. F. MacWilliams, a former Rockland boy, now located in Cresson, Penn., contributes an article to the Mining Congress Journal, entitled "Proposed Standard Methods for Testing Mine Fans." The article, which is purely technical, carries a number of illustrations, and will doubtless attract much attention in the mining regions with which it concerns.

The Men's Bible Class of Littlefield Memorial Church sat down Monday night to a nice supper served under the direction of Carroll M. Wixson. Followed an entertainment in which instrumental music was furnished by Ralph Choate, Walter Griffin and Mervyn Flanders. The new pastor, Rev. Charles A. Marsteller, who spent nearly two years in Peru, engaged in missionary work, told some of his South American experiences, and it is not recorded that anyone particularly envied the pastor for his stay there. On one occasion his canoe was attacked by a boa constrictor, and the missionary might have suffered the terrible fate which befalls the victims of these serpents but for the good arm of his Indian companion, whose second shot into the huge coils was successful. Contact with the electric eels is often fatal, but one of the most dreaded snakes is the viper, about a foot long. Malaria is added to the discomforts of those who live in that tropical country. Mr. Marsteller found himself talking to a highly interested audience.

Rev. H. I. Holt, pastor of the Congregational Church in Warren, was guest speaker at the noonday meeting of the Rockland Lions Club yesterday, his subject being: "Are We Anglo-Saxon?" Mr. Holt has made a life study of ancestry delving far back into ancient history and studying not only historical records but tradition, and to the latter he ascribes the most accurate information possessed by the world today. He cited history to show the difficulty of tracing lineage, and challenged any man present to say that he possessed pure Anglo-Saxon blood. An abstract of Mr. Holt's address is not attempted because of the difficulty of treating such an important subject intelligently and with a few disjointed phrases. Mr. Holt treated the matter from the standpoint of a profound student in this matter, and his forcefulness as an orator found expression. Former District Governor Maurice C. Orleton of Bangor got the fine welcome he always receives in Rockland. A somewhat startling seizure was made by Sheriff Ludwick, L. E. McRae and Dr. C. B. Popples were appointed entertainment committee for January.

Miss Irene Lundeen, whose marriage to Walter Starrett of Warren takes place in the near future, was tendered a miscellaneous shower by Blue Bonnets, Troop Girl Scouts of which she is captain. The delightful occasion was planned by Mrs. Fanny Trask and Miss Mary Stockbridge, and every member of the troop had a part in completing the arrangements. The holiday season was reflected in the decorations carried out in a color scheme of red and green. Barbara Lundeen was in charge of the gifts which were arranged in an attractive red and green basket the handiwork of Worrell Simmons. Ruth Thomas assisted by Dorothy Trask and Athalee Tibbetts made the presentation. Elaine Ames, Ariene Sprout and Mary Snow assisted Mrs. Trask and Miss Stockbridge in arranging and serving refreshments, after which the tenderfoot members of the troop entertained with a pleasing miscellaneous program. Miss Lundeen received many gifts, some of which were beautifully made by the girls. Those present were Miss Lundeen, Mrs. Trask, Miss Stockbridge, Dorothy Tibbetts, Worrell Simmons, Barbara Soule, Ruth Goldberg, Betty Munro, Elaine Ames, Athalee Tibbetts, Dorothy Trask, Miriam Dorman, Madeline Munro, Helen Powell, Grace Blethen, Mary Snow, Harriet Clark, Norma and Madeline Philbrick, Ruth Thomas, Ariene Hall, Virginia Lewis, Betty Payson, Carol Hall, Eloise Richards, Norma and Martha Seavey, Inez Bowley and Ariene Sprout.

With such nice and commodious quarters all in working order for the Christmas season, Santa Claus ought to do pretty well by his Rockland customers this year.

YOUR FAVORITE POEM

If I had my life to live again I would have made a rule to read some poetry and listen to some music at least once a week. The loss of these tastes is a loss of happiness.—Charles Darwin.

THE WANDERER

Upon a mountain height far from the sea,
I found a shell.
And to my listening ear the lovely thing
Ever a song of ocean seemed to sing.
Ever a tale of ocean seemed to tell.
How came this shell on that mountain height?
All who can say.
Whether there dropped by some too careless hand,
Or whether there cast when oceans swept the land,
Before th' Eternal had ordained the day.
But strange was it not Far from its native sea,
One song it sang,
Sang of the mighty mysteries of the tide,
Sang of the awful vast profound and wide,
Then softly with echoes of the breakers rang.
And as this shell on that mountain height,
Sings of the sea,
So do I ever, leavies and leagues away,
So do I ever, where I may, where I may,
Sing, O my home, sing, O my home, of thee!

GRAND PATRIARCH HONORED

Reception To Luke S. Davis a Notable Event In Odd Fellow Circles

Luke S. Davis, Grand Patriarch of the Grand Encampment of Maine, was tendered a reception Saturday night by Rockland Encampment, Knox Lodge, Miriam Rebekah Lodge, and Canton Lafayette and Auxiliary, the occasion being made notable by the attendance of distinguished guests, gathered to pay their respects to the first Grand Patriarch Rockland has had since 30 years, ago when that office was held by the late Eugene R. Bowler.

Lodges represented were Augusta, Lewiston, Auburn, Waterville, Cam-

den, Old Town, Hartland, Berwick, Portland, Union, Tenants Harbor, Bridgton, Gardiner, Vinalhaven, Bath, Albion, Jefferson, Richmond, Rockland, and Providence, R. I. Other lodges extended greetings by letter. Chevaliers of Canton Lafayette and Molineux acted as escort and ushers.

Mr. Davis was presented with a veteran's jewel, for 25 years of membership, by the branches of the order, the jewel being presented by George Graves, chief patriarch of Rockland Encampment and noble grand of Knox Lodge, and Mrs. Lillian Cotton, noble grand of Miriam Rebekah Lodge. Mr. Graves noted the fact that it was exactly 25 years ago since the late Frank B. Miller was grand master of the Grand Lodge, I.O.O.F. of Maine. The lodges presented Mrs. Davis with a shoulder corsage of

Grand Patriarch Luke S. Davis, first Rockland man to hold that office in 30 years

SNOW WHITE TABLE CHRISTMAS TREES

Will be offered to the public of Rockland and vicinity by us for the Christmas season. These trees are the latest creation of the Rockland Christmas Tree Corporation, and the result of years of research and experiment by Roy E. Estes of this city. The trees are cut in Maine, treated, painted, and mounted on genuine birch stands, and will be distributed all over the U. S. A. at prices ranging from \$1.25 and up. As the Rockland Christmas Tree Corp. is entirely sold out, our supply is limited and we advise our customers to place their orders early. Each tree is packed in a handy carton, easy to carry, or we will deliver them right to your door.

Republican voters should pay special attention to the advertisement on Page One of this newspaper. It notes the fact that in the preceding June primaries many Republicans were unable to vote as they wished due to the fact that they were enrolled as Democrats for one reason or another. In order not to have that embarrassing situation repeated they are urged to change their enrollment. This must be done before Saturday noon, so no time should be wasted. To simplify the process, one

simply calls a city committeeman who will promptly appear with an enrollment blank. Earle U. Chapin is city committeeman from Ward 1, tel. 671-R; A. D. Fish, Ward 2, tel. 1181-W; Francis D. Orne from Ward 3, tel. 1186-J; B. H. Stinson, Ward 4, tel. 402; Ervin L. Curtis, Ward 5, tel. 462; Louis Bosse, Ward 6 and A. B. Huntley, Ward 7, tel. 993-R.

ROCKPORT

The G.W. Bridge Club met Tuesday afternoon with Mrs. Mary Whitman at the Carleton homestead. Several members of Harbor Light Chapter, O.E.S. attended the annual inspection of Seaside Chapter, Camden Monday night, and all reported an enjoyable evening. A banquet was served at 6.30 after which the work was exemplified in an impressive manner. Forget-Me-Not Chapter of South Thomaston were also special guests.

Capt. Charles Wooster and Chester Pascal went Tuesday to Boston where Capt. Wooster will receive hospital treatment.

The December meeting of the Rockport Farm Bureau held Tuesday at the home of Mrs. Austin Smith in Rockland was attended by 36. Dinner was served at noon with Mrs. Karl Packard of Rockville, Mrs. Smith and Mrs. Harry French of Rockland in charge. Mrs. Nina Carroll was chairman of the program committee, "Christmas Suggestions" being the subject for discussion. Jessie Sutherland, R. N., also gave an interesting talk on "Care of the Sick."

J. Carlton Davis went to Boston yesterday on a business trip in connection with the yacht "Cuttyhunk" of which he is engineer.

A crew of men and several trucks are employed in widening and re-surfacing High and Amesbury streets under the new WPA project.

A meeting of the executive board of the Carnival-Regatta Association will be held tomorrow night at 7.30 at the selectmen's office. Matters of importance are to be discussed. As the session must be brief owing to the R.H.S. play which will take place at 8 o'clock at Town hall, it is urged that those attending be on hand promptly.

Much interest centers about the basketball game to be played Monday at Town Hall gymnasium between the local High School and Brownville Junction teams. It is expected to be one of the fastest and most exciting games of the season.

The Trytohelp Club was entertained Monday evening at the home of Mrs. Cecil Rhodes in Camden. Work on Christmas bags occupied the time. Mrs. Nellie R. Maguire will be hostess at next week's meeting.

The Masonic banquet hall was the scene of a lively gathering Tuesday night when the losing team, captained by Mrs. Lintheil Lane, served a supper to the winning team, captained by Mrs. Marion Richards in the recent attendance contest conducted by Harbor Light Chapter O.E.S. Novel and humorous features were introduced. After the supper, old fashioned games were played. It was pronounced one of the merriest times the Chapter has ever held.

Mr. and Mrs. Manasseh Spear will leave the latter part of next week for a six weeks' tour of the South.

Miss Emma L. Morse of this town and Zebidiah Norton of Jonesport were married at 1.30 p. m. Saturday at the local Methodist parsonage with Rev. Forrest P. Powle officiating. In the evening a reception was held at their new home at 48 Main street, Camden. The couple received many nice gifts. The bride is the daughter of Mrs. Emma H. Jones of Rockport but for sometime has been employed in Camden. Mr. Norton is connected with the CCC camp in Camden.

GLENCOVE

Georgia D. Small
Funeral services for Mrs. Georgia D. Small who died last Thursday at the home of her daughter, Mrs. Helen Hall of this place, were held Monday at the Methodist Church in Camden, Rev. Weston P. Holman officiating. The burial was in the family lot in Mountain cemetery. The bearers were Frank Chisholm and Arthur Grinnell of Camden and Frank Fuller and Charles E. Gregory of Glencove.

Mrs. Small who had made her home for the past 12 years with her sister, had been in failing health for a year but had not been confined to her bed.

She was born in Rockland, and had she lived to the date of her burial would have been 85. Her early life was passed in Rockland and Massachusetts where at one time she was employed as bookkeeper for the B. F. Sturtevant Co. of Boston.

In 1869 she was married to Hubert C. Small of Bowdoinham and for a time they made their home in Boston, later in New York and finally removed to Camden where they resided 44 years. To this union were born five children, James of New York who died there last February, Hubert who lives in Auburn, Edwin of Camden, John who died in 1891, and Mrs. Helen Hall, also three grandchildren and one great-grandchild.

Mrs. Small was greatly interested in fraternal and social societies and was active in church activities as well. She had been a member of Camden Methodist Church for 58 years. She also held membership in Golden Rod Chapter, O.E.S. of Rockland, the Grange, Rebekahs, Ladies of the G.A.R. and served at one time as State secretary of the latter organization. She was greatly devoted to her church and attended regularly until weakening health prevented. Generous to a fault in service of others, she likewise was deeply appreciative of kindness shown herself and many times expressed her gratitude for the kindly care and good home provided by her daughter. A constant reader of the Bible, it proved an unfailing comfort to her, and especially during her declining days.

Her sons and daughter, grandsons and great-grandson attended the funeral services, as did numerous friends. The many flowers, rich in beauty, were mute evidence of affectionate regard. Mrs. A. R. Grinnell sang Mrs. Small's favorite hymn, "The Bright Forever," accompanied by Mrs. Maude Young.

TENANT'S HARBOR

Miss Ruth Barter has resumed her studies at the Leland Powers School of the Theatre in Boston.

Frank L. Teel, a member of the Lynn, Mass., police department, has been spending a few days here. He came to attend the funeral of his sister, Mrs. Essie M. Barter.

"Built to Take It"

Says Frank Buck,
Famous Explorer

"Treking" through the jungles has taught me that there is no substitute for ruggedness and dependability in a motor car. For over 20 years Dodge has been famous for these qualities. Everybody knows a Dodge can "take it."

Added to these attributes Dodge has been smashing all economy records—and as for the new 1936 Dodge... there are reports from new Dodge owners all over the country stating they are getting 18 to 24 miles to the gallon of gasoline—and saving up to 20% on oil.

To top it all—this big, new, Money-Saving Dodge has been acclaimed the "Beauty Winner" of 1936 by famous fashion authorities in all parts of the country. Yet Dodge now costs only a few dollars more than the lowest-priced cars.

VINALHAVEN

Union Church Circle will serve supper in the vestry at 5.30. Housekeepers are Mrs. H. W. Fifield, Mrs. L. W. Sanborn, Mrs. O. C. Lane and Mrs. L. R. Smith.

Mrs. Arthur Patterson left Monday to spend the winter in Rockland with her daughter Mrs. Charles Schofield.

As a mark of respect to the donor of the Vinalhaven Public Library the 100th birthday anniversary of Andrew Carnegie was fittingly observed Nov. 25 at the library. The fine portrait of Mr. Carnegie, gift of the Carnegie Corp., together with attractive posters each printed with a saying of Mr. Carnegie, were exhibited and much enjoyed by the visitors. The work by schools for "Book Week" was also on exhibition. Papers on the "Life of Andrew Carnegie" and "The History of the Public Library" were read by Marion Littlefield, Caroline Calder, Muriel Baum, and Caroline Alley.

Don't miss the senior play "Apple Blossom Time" to be presented Friday in Memorial hall. Dancing will follow the show.

L. H. Bucklin is a patient at Knox Hospital. Addie, wife of Mr. Bucklin died at her home Monday night. Obituary deferred.

William Kessell

Word has been received by relatives in town of the death of William Kessell, which occurred Saturday, at his home in Newburgh, N. Y., where with his family, he had made his home for several years.

Besides his wife and family, he is survived by a sister Mrs. Herbert Calderwood, and brother Edward of this town; a brother Arthur and sister Mrs. Chester Colson of Rockland; and sister Mrs. Frank Sellars of New Jersey.

Mr. Kessell, a former resident of this community, was worshipful master of Moses Webster Lodge, F.A.M., an active member of Atlantic Royal Arch Chapter and past patron of Marguerite Chapter O.E.S. In his younger days he was popular in musical circles of the town and engaged widely in church and social activities. Sympathy is extended to the bereaved family from the many friends here.

SPRUCE HEAD

Mr. and Mrs. Robert Burch are moving into the Haskell house.

Mrs. Clarence Carr entertained Friday night at two tables of bridge at her home in Rockland, honors going to Mrs. John Kelley, first; Mrs. Charles Burke, second; and consolation to Mrs. Callie Morrill. Lunch was served.

Vincent Carr, Kenneth England and "Skits" Collier, CCC boys of North Whitefield, passed the weekend with Mr. and Mrs. Charles Carr.

Mrs. John Kelley was hostess at a recent luncheon-bridge party, the outstanding scores being won by Mrs. Herman Carr, Mrs. Charles Burke and Mrs. Oscar Bassick.

Friends hearing from Mrs. Darrell Mann report the family as comfortably located in Manset and Mrs. Mann enjoying his work as second assistant at Duck Island Light Station.

Mrs. Floyd Singer and daughter Nancy of Manana Fog Station are visiting Mrs. Singer's parents, Mr. and Mrs. F. C. Batty.

Mrs. John Kelley and sons were guests Tuesday of Mrs. Leland Beal on White Head.

YOUR CAR NEEDS
"Lubricated Starting"

EVERY year Old Man Winter lays his icy hands on millions of cars. Motors fail. Batteries die. Expenses pile up...All because of slow, uncertain starting. But this year it's different! Here's a gasoline that actually oils its way into lightning action. The top-cylinder oil, Tydol Gasoline contains, instantly oils and eases cold-start valves and pistons. You get faster, surer, lubricated starting. For safety first, insist on lubricating Tydol.

There are No Safer Brakes Made

than the Super-Safety Brakes on the 1936 Ford V-8

No other car in America has the same basic design as the Ford V-8. And because of its unique design—the Ford car could use any type of braking system now in common use.

BUT, with the whole field to choose from, Ford stands by mechanically-operated, Super-Safety brakes as the safest, surest, most positive for the Ford V-8.

This is the type of braking system used on many of America's costliest cars and on most racing cars. And because of its unique chassis design, Ford can use it to better effect than any other automobile built today.

Then, for the brakes themselves, Ford has provided more effective square inches of braking surface (186) than is found in any other low-priced car... And big, 12-inch alloy-iron drums with special cooling fins to give maximum braking power under all road conditions... All in all, no safer brakes are made than you get with the 1936 Ford V-8.

And right through the Ford V-8 for 1936, from bumper to bumper, the same attention to

your safety, comfort and peace-of-mind, characterizes the whole car... Ford uses a one-piece, welded-steel body because it is safer and quieter... Ford gives you Safety Glass in every window at no extra cost because Ford believes it is the manufacturer's duty to provide for maximum safety as part of the car's sales price.

Drive the Ford V-8... Notice how it "holds the road" on curves—(you never have to "fight" a Ford around turns)... Notice how dependably the brakes work on rough roads—on steep hills—or anywhere else. You can arrange to do this easily by calling:

FORD PERMANENT WHEELBASE

Radius rods [1] brace the front axle like a pair of giant arms. Radius rods and Torque-tube [2] give triple bracing to the rear axle. This means that the front and rear axles of a Ford car are always held equi-distant—in perfect alignment. On this permanent wheelbase any braking system now in common use could be used. Only with this Ford-type wheelbase, can mechanical, Super-Safety brakes be used to the fullest advantage.

FORD USES 4 INDEPENDENT BRAKE RODS

Four brake rods [3] of strong, tempered steel link the pressure of your foot on the pedal with the four big brake-drums on the wheels. They do this positively, surely, under all road conditions. Note especially that no one Ford brake has to depend on the other three. Failure of one—practically impossible—would leave three perfectly-operating brakes. Tear out this chart and check it with the car you are driving now.

Past Masters' Night at Orient Lodge Orient Lodge F.A.M. was dedicated Aug. 7, 1895 and has had an honorable record. The business men of the various generations have been members and important factors in the lodge's success. A practice has arisen in later years of having, at irregular intervals, a past master's night when the lodge was given over to the erstwhile officials who filled the chairs and performed the work.

Such a meeting was held Monday night following a supper served by a committee of Grace Chapter, O.E.S. Officers were filled in this manner: Charles Woodcock, W. M.; William Hastings, S.W.; Winfield Brackett, J.W.; Harrison Whitehill, S.D.; Aaron Clark, J.D.; Frank M. Bever, treasurer; A. J. MRS. ROLLINS STARRED

In Comedy Presented By Committee From Methuen Club

The sparkling comedy "The Burglary at Brown's" presented at the High School auditorium Monday night under the auspices of the ways and means committee of the Methuen Club, brought out a fair sized but most appreciative audience whose tribute was particularly directed toward Mrs. Grace Rollins, who not only is a member of the club committee, but coached the play and played a strong leading comedy role. The smoothness of the performance, the carefully worked out situations, and the attractive stage setting were eloquent of her skill in directing.

The parts taken by Mrs. Rollins and Frank Tibbitts as Mr. and Mrs. Oliver Brown, Mr. Tibbitts as a much heckled husband completely subjected by his wife's tears, were so strong in comedy that it is not amiss to make special mention of their work. Following closely in skill were Mrs. Vivian Hewitt as Fleurette, a pert French maid, Ted Perry in one of his famous character roles, and L. B. Cook who displayed in a mock court room scene amazing prowess as an attorney. Miss Madeline Rogers was very handsome as Constance Brown and Lloyd Daniels as Curtis Brown, her husband, played his part with sincerity, his beautiful speaking voice winning no small praise. L. C. Jackson Jr., David S. Beach and George W. Gay in minor roles played convincingly.

The attractive stage setting was made possible through the loan of furniture by the Stonington Furniture Company. The High School Orchestra directed by Prin. Harold Libby (Junior High) rendered several selections, their splendid work winning acclaim.

Candv was on sale by a committee comprising Mrs. Alice Jameson, Miss Relief Nichols and Mrs. Jane Beach, the girls selling being Elsiebeth Walker, Hester Hatch, Elzada North and Betty Beach, prettily gowned in peasant costumes.

The sum netted will represent a tidy amount, which the club will use in donations to various projects, one of which will be the Public Library for books, an annual custom.

IN TRAINING SCHOOL

Olivia Jameson Studying In Boston For Position Of Attendant Nurse

Miss Olivia E. Jameson, daughter of Mrs. Mary Jameson of 142 Camden street, has entered the training school for attendant nurses conducted by the Household Nursing Association at 222 Newbury street, Boston.

The attendant nurse fills a definite community need. She is equipped to care for that large group of mildly ill, chronic or convalescent patients, where a trained nurse is not needed, but where the family itself cannot assume the extra burden of care. The care of the home too, is a part of her duty when the circumstances of the family make this necessary.

Miss Jameson will spend the first six weeks of her training at the Household Nursing Association center at 222 Newbury Street, Boston, and will then have a year's training in the wards of one of the nine affiliated hospitals. This course will then be supplemented by six months' nursing under supervision to help the attendant nurse through the first difficult months of private duty. Her diploma will be granted upon the satisfactory completion of this final six months.

KNOX LINCOLN FARM BUREAU

The following communities will hold half-day planning meetings beginning at 1 o'clock with a Square Meal, served at noon: Union, Dec. 17 at Mrs. Mauds Calderwood's home; Rockland, Wednesday, December 19 at the Mountain View Hall with Mrs. Mattie Gardner as chairman. Mrs. Ethel Cannon and Mrs. Alice Wyllie are on the committee for the dinner: Appleton, Thursday, Dec. 19 at the Grange hall with Mrs. Alice Hall as the leader in charge of the meeting. East Union will have an all-day meeting beginning at 10:30. A Christmas dinner will be served by Mrs. Emily Pushaw and Mrs. Lura Norwood. Miss Lawrence, Home Demonstration Agent, will talk on "Farm Family Living" in the morning. In the afternoon the program of work will be planned. An interesting feature looked forward to each year is the Christmas Tree.

CAMDEN

Miss Hazel Witherspoon who has been a surgical patient at the Community Hospital, was taken yesterday in Good's ambulance to a Providence hospital for treatment.

Mrs. Arlette Good was hostess to Monday Club this week at her home on Elm street. Mrs. Ruth A. Elmore was the reader with "Robert Frost" the subject. Mrs. J. Hugh Montgomery will entertain the club next week.

Clarence Taylor and family are moving from the Knox mill rent on Mechanic street to the Batchelder house on Elm street, recently bought by Roy Fuller.

The Sons of Union Veterans will hold a fair Friday and Saturday, at the K. of P. hall. A New England boiled dinner will be served Saturday noon and at night, a baked bean supper. Beano will be played both evenings and prizes given away. In charge are Mrs. Jessie Josselyn, Mrs. Louise Dunbar, Mrs. Lulu Rice, Mrs. Roxella Whitehouse, Hall Carroll, Maynard Whitehouse and Keith Carroll.

The next meeting of the Friends-In-Council will be held at the home of Mrs. Clara Brown, with Mrs. Brown and Mrs. W. E. Brown, hostesses. A Christmas program will be given.

Mrs. F. S. Powers has moved into the Montgomery rent on Main street over the Megunticook Press.

The weekly meeting of the Camden Rockport Lions Club was held Tuesday evening at Wadsworth Inn and the ladies were invited. The speaker was Rev. Horace L. Holt of Warren and Rockport whose subject was "Origin of Christmas." There was a Christmas tree and the toys were turned over to the Garden Club and the clothes to the Relief Association. Maiden Cliff Rebekah Lodge met last evening. A picnic supper was served at 6:30.

The Arey-Heal Post Assemblies start tonight at the Legion hall. Dances will be held every two weeks and Legionnaire Grieve will furnish music featuring his "Old Timers."

WITH THE BOXERS

The Fans Will See Al Wilson in Main Bout Friday Night

At Rockland Athletic Club tomorrow night Al Wilson meets Young Audet. The latter has not taken too kindly to his experience here in the last few fights, and will be in there to redeem himself at the expense of the Rockland boy.

The fans will welcome the return of Ponzi Cochran, who has now quite recovered from a severe cold, and finds himself fit to tackle, Young Gurnier of Waterville.

The top prelim will be fought by Jabber Hastings of the Camden Hills Triple C camp, and Young Robinson who will defend the honor of Thomaston.

Mike Sutela is fighting Early Peters. Mike is entirely new to the game—thought a boxing exhibition was a place where they crated strawberries, but he's got more pluck and confidence than a Democrat in a Southern State. The third prelim will bring together Red Smith of Owl's Head and John L. Dudley of Augusta, who made a batch of holiday mince meat out of Cracker Pavreau.

There is always a demand for reserved seats at these exhibitions. Fans who desire them should call Penobscot Grill (Telephone 8841) or see Matchmaker Hamlin.

WALDOBORO

The stores are attractively decorated for the holidays.

George Ashworth of St. Johnsbury, Vt. has been guest of Dr. and Mrs. T. C. Ashworth.

Miss Constance Newbegin has returned from Haverhill, Mass. Carroll T. Fuller, master of Meenahga Grange, attended the meetings of the State Grange in Portland.

At the business meeting of the Baptist Y.P.C.E. Society Richard Achorn was elected president; Olive Piper, vice president; Bethel Harkins, secretary, and Helen Oldis, treasurer.

Mrs. C. H. Weston will entertain the Missionary Society Friday afternoon. The December meeting will be given over to a program and Christmas tree. Each member will take a gift which will afterward be used for children.

The Sunny Side Up 4-H Club will hold a Christmas party Friday afternoon at the home of the leader, Mrs. Celia Oldis. Miss Ruth Clark, county agent, will be guest of the club. A lunch and program will follow the Christmas tree.

The Boston Sunday Post contained an item of interest to local readers, and is here reprinted: "Miss Letha Orcutt of Sedgwick and John Hickson of Waldoboro, were united in marriage at Gorham. They then drove to Newfield to spend Thanksgiving Day with the bride's sister, Mrs. R. Howard Davis. Mrs. Hickson is the teacher at the Roosevelt School in South Bristol and has made a good record there. She will continue to occupy that position. Mr. Hickson is a mechanic and is employed at Waldoboro. They will occupy a house near the Everett Poole residence, South Bristol."

MRS. VINA A. MARTIN

Vina A., widow of Thomas V. Martin, died Dec. 4 at the home of Mrs. Gena Atherton, 33 Cedar street, after a lingering illness. Deceased was formerly Vina A. Gross, born in Oregon on Feb. 12, 1880, daughter of Henry and Joanna (French) Gross. As a child she came to Rockland with her parents and practically her entire life was spent here.

Her marriage to Mr. Martin took place in 1867. Of the several children born to this union only one child survived, Mrs. Chester E. Copeland of Forestville, Conn. Other surviving members of the family are a sister, Mrs. Emma D. Butler of Buffalo, two grandchildren and two great grandchildren.

Mrs. Martin's home was at 107 North Main street for many years. Here she found her greatest interest

in life, a kind and affectionate mother. She was also a devoted member of the Littlefield Memorial Church, of which she was the oldest member in Rockland. She was cared for in her last illness by Mrs. Atherton and Miss Helen Merry, a granddaughter.

Funeral services were held at Littlefield Memorial Church on Dec. 7, Rev. Charles A. Marsteller officiating. Frank, Charles, and Almon Richardson, nephews of the deceased, by marriage, and Charles E. Gregory acted as bearers. Interment was in the family lot at Achorn cemetery. The beautiful flowers bespoke the high esteem held for Mrs. Martin.

SEE SANTA FOR NICKEL

Maine Central Offer To Children Has Real Christmas Flavor

The Maine Central Railroad's "See Santa for a Nickel Week" during which, from Dec. 15 to 21 inclusive, children over 5 and under 12 years of age may ride between any two stations on the road in Maine or New Hampshire for a round-trip fare of 5 cents has been officially approved and will definitely be effective.

"The See Santa For a Nickel Week" as effective on the Maine Central will allow any child, accompanied by an adult to ride anywhere on the system for five cents round-trip. The adults, according to the tariff filed by the road, may use any form of regular ticket, including commutation tickets and each adult may bring as

many as four children at the five-cent round-trip fare for each.

The nickel round trips are good between any two points on the Maine Central lines so that the children may journey to any of the large or small shopping centers where Santa Claus is holding forth.

The only restriction is that the 5-cent round trip fares will not be good on the streamlined "Flying Yankee," because of space limitations.

NOMINATION WITHDRAWN

Gov. Brann Tuesday withdrew his nomination of Dr. Harold M. Pettapiece of Camden, as a member of the Board of Osteopathic Examinations and Registrars and substituted Dr. Harry H. Campbell of Portland. "An error was made in posting of Dr. Pettapiece" the chief executive said in explanation of the change.
